NY 5938-S stated that he told COTI ERMO NOVO that he had passed the Spanish Tourist Office on Fifth Avenue on his way to work and noted that the front window had been broken. The informant asked NOVO if there was going to be a release and NOVO said "We will contact the press and claim credit for the bombings for Cuban Power." NOVO said that if they did not claim this for Cuban Power then the Cuban Nationalist Movement would be blamed for the incidents.

NY 5938-S advised that he was not certain whether or not GUILLERMO NOVO was responsible for the bombings or was just trying to take credit forthese incidents in order to enhance his own reputation.
